

Eleven Students—Two Men, Nine Women—Selected for Who's Who

All Are Members of Senior Class; Candidates Will Hear From Editor.

Many Qualities Considered

Who's Who Among College Students Appears Annually; Serves as Undergraduate Reference

Eleven members of the senior class have been selected to be recommended for places in the 1944 edition of Who's Who Among Students in American Universities and Colleges. This book is compiled as a reference upon undergraduates and is believed to be helpful both to the students whose names are included and to potential employers of these students.

Those students chosen to be candidates for places in Who's Who are as follows: Paul Baldwin, Helen Marie Boyersmith, Elizabeth Ann Davis, J. Luther Dougan, Evelyn Marie Gilliland, Elaine Gorsuch, Emma Ruth Kendall, Barbara Breit Kowitz, Sue Elizabeth Moore, Melba Seitz, Bette J. Townsend. When their names reach the editor of the book, he will write to the student asking for biographical data. There is no charge to a student for being included; nor is it necessary to buy a book.

Students are chosen upon scholarship, character, activity in affairs on the campus, leadership, potentialities for success, general usefulness on the campus, and within a limit of fifteen set as maximum for this college, these eleven students have been selected. Within this college it has been the policy, with but slight deviation, to choose all candidates from the senior class.

Paul Baldwin, who came to the College from Long Beach, Calif., has been here but two years. He is a member of Sigma Tau Gamma. He is now wearing the uniform of the United States Navy in the V-12 program.

Helen Boyersmith of St. Joseph is an art major. She was a member of last year's Tower staff, doing much drawing for the yearbook.

Elizabeth Ann Davis of Derby, Iowa, is a member of the Writers' club and Sigma Tau Delta (writers' fraternity). She was editor of the 1943 Tower, has served on the Residence Hall Council, and has held several offices in the Y. W. C. A. In her junior year she won the A. A. U. W. scholarship. She is president of the senior class and is on the staff of the Northwest Missourian.

J. Luther Dougan of Hamburg, Iowa, is president of the student body. He is an active member of (Continued on Page Three)

Russia Is Topic for Symposium Talks

Discussion of Subject of Present Significance Has Been Started.

The Social Science and Speech departments under the sponsorship of Dr. J. Richard Wilmette, Mr. John Rudin, and Dr. Julian C. Aldrich are conducting a series of discussions upon the topic, "Our Relations with Russia During and After the War."

This subject was chosen for broadness of scope and present-day pertinence. A great deal of material has been compiled recently on this topic and daily implications as brought out in the newspapers and over the air offer unlimited reference.

Discussion Has Begun.

The first of this week the topic was discussed in the social science and speech classrooms. Later it is to be open to all students who have had experience or are interested in symposium speaking. At the present there are about thirty students who are taking part in this activity from an extra-curricular standpoint. Any other students interested in participation in these discussions are requested to read the materials carried by the college library as a basis for their opinions, and to attend the group meeting next Tuesday afternoon, at 4 o'clock in Room 103.

To Discuss for Public

After research on the topic, those interested will participate in the discussions held before different classes within the college. Later volunteer groups will appear before the Rotary Club, The Men's Forum, and the Methodist Youth Fellowship.

The four most capable speakers from these groups will be awarded a book, and on October 27, will present, during the assembly period, their discussions in a symposium forum. The audience will be given an opportunity to ask any question or add information.

Participation in this project will help all those who are interested in Phi Kappa Delta, national honorary speech fraternity, to fill the entrance requirements.

Horace Mann Employs Three New Teachers

Three new teachers have been employed at Horace Mann high school this year. Miss Elleen Isom, who was graduated from the college last spring, is teaching biology and general science. Mrs. Belvadiene C. Garrett, who was graduated at the close of the summer quarter, is teaching social science. Mr. Walter H. Johnson is teaching English and speech this year. Mr. Johnson was graduated from the College in 1942, and taught last year in Mound City, Missouri.

These people are doing actual teaching and not supervising. Student teachers, under the supervision of the college faculty in the field of subject matter taught, are assisting in the work of the high school. A list of these teachers was given last week.

Costa Rican Here Tells of Country

Carmen Pages Expects to Remain in College for Bachelor's Degree.

Carmen Pages, who transferred to the College in June from St. Mary College, Xavier, Kansas, calls San Jose, Costa Rica, her home; but in reality she is a world traveler.

Miss Pages attended college in Costa Rica. Since then she has traveled in Europe, visiting her aunt who lives in Barcelona, Spain; and Estarlit, Province of Gerona, Spain. She has been in the United States two years, traveling the first year and attending St. Mary's College, the second.

The Costa Rican student plans to graduate from college here by the end of the summer, 1944. She is undecided as to exactly what she wants to do upon graduation, but knows she wants to continue her study. Sometime in her life, she wants to go to Chile, South America.

Miss Pages describes Costa Rica as a small, but beautiful tropical country of about 23,000 square miles—about one-third the size of Missouri and with a population less than Kansas City, only 650,000.

Costa Rica Is Peaceful.

The country is a peaceful one—even their war of independence from Spain was an unbloody one, she says. In 1918 they were under a dictatorship for 18 months and to prevent a recurrence of this they decided that in 1929 a president would be elected every four years and allowed to serve only one term. Miss Pages seldom mentions the fact that her grandfather was at one time the president of Costa Rica. Her brother is now the secretary of the Vice-Consul from the United States in Buntarenas, Costa (Continued on Page Three)

Senate Fixes Seating Arrangement for 1943

A new and satisfactory seating arrangement for all college students and faculty members at assemblies has been decided upon by the Student Senate, as follows:

Seniors: Center Rows A, B, C, D, E, F.
Juniors: Center Rows G, H, J, K, L.

Sophomores: Center Rows M, N, O, P, Q, R, S, T, U.

Freshmen: All rows on the east side and V, W, X of the center rows.

Faculty members: Rows A, B, C, D, E, F on the west side.

Horace Mann students: West side, behind the faculty members.

Announcement of the regulation was made by J. Dougan, president of the Student Government Association, September 22.

Attack Food Problem

Acid, pectin, and sugar are necessary to make jelly. Mary Rose Gram and Mrs. Tracey Van Camp knew that, and yet they wanted to make jelly out of elderberry juice, which contains neither pectin nor acid. Out of that desire grew an experiment for them in the Home Economics kitchen.

Taking the elderberry juice, the two students added the juice of quinces, which are rich in the missing ingredients in the elderberry juice. The result was a perfect jelly with the elderberry flavor. It demonstrates a method of increasing the winter's supply of jelly by using a fruit that is common and plentiful and, therefore, inexpensive.

In the same class, experiments of other sorts are going on. Yvillian

MARIE WILKINS

Marie Wilkins Will Come October 20

Coloratura Soprano Wins Fame Substituting in Lily Pon's Role.

Marie Wilkins is coming to Maryville—Marie Wilkins who, on twenty-four hours' notice, stepped into the trickiest role in coloratura soprano repertory to substitute, at the Metropolitan Opera, for Lily Pons in "Lakme," when Miss Pons fell ill, and achieved such a sensational success that she made front page news all over the country and, moreover, won a regular contract for leading coloratura roles with the Metropolitan Opera Company.

The new opera prima donna will present the second of the major entertainments of the year in the auditorium of the Administration building of the College on Wednesday evening, October 20, at 8:15 o'clock.

Marie Wilkins' rise to fame is not entirely a Cinderella story, though there is much of the dramatic in it. On December 1, 1942, Lily Pons, whose silvery notes were the main attraction in "Lakme," which was to be sung the next night, had a bad throat. Nobody in the company knew the role. Somebody thought of Marie Wilkins, who was known to have been studying the part. But twenty-four hours remained for rehearsals, but Marie Wilkins knew that this was her chance, and she took it. But it was a chance she had prepared for through long years.

Has Good Music Foundation.

Growing up in Ithaca, New York, she began her musical career as a choir singer. At eighteen she went to Paris to study with Madame Malnev-Marsellac. Later she was a student of Maestro Cataldi in Italy. After singing for three years in Italy, she returned to New York to sing in "Blossom Time," "New Moon," and "Fledermaus" with the Schuberts. She has done considerable concert work, having appeared as soloist with the Kansas City Philharmonic Orchestra, at the Lindberg and Asheville Mozart Festivals, and at various other musical events.

"The voice of Marie Wilkins is described as having great flexibility and wide range. Her state presence is pleasing and unaffected. Small, blue-eyed, and brown-haired, she favors all shades of blue in her wardrobe because it is becoming and because she believes it is her lucky color."

The home of Marie Wilkins is Lawrence, Kansas. She is married and is the mother of an eight-year-old daughter. Her favorite sports are swimming, mountain-climbing, and hiking. The singer and her husband, in pre-war days, took walking tours through the mountains of Switzerland, southern Germany, and the Austrian Tyrol. In the United States, she has climbed Mt. Washington, Mt. Mitchell, and other mountains. She maintains that mountain climbing is the best exercises for a singer.

The first activity of the Council is concerned with assistance of musical organization in management of the District High School Band during Teachers Meeting. They will act as registrars, assign rooms, give out programs at the two concerts and meal tickets. Margaret Baker will be the Council's coordinator in this activity.

Another activity of which the Council will have charge is a newsletter to be sent to musicians in service and to music alumni. A third activity is the planning of a social event to be held in the near future. Melba Seitz is in charge of this for the Council.

YWCA Has Cabinet Meeting

The Y.W.C.A. cabinet held a business meeting Thursday night, September 30. They planned the meetings for the winter semester and set the date for the W.S.S.F. drive. They also decided to spend a Saturday cleaning the Y.W.C.A. Hut. The members present were Elizabeth Ann Davis, Betty Jo Stanton, Mary Logan and Dr. Irene Mueller.

"Co-Edition" Newspaper Comes Out on Tuesday

Women of the College have their own news sheet called "Co-Edition." The one page mimeographed paper is edited once a week and given to the women on Tuesday. News of social events, question-airings, birthday greetings, notices from Miss Truex or Miss Villars, and chatter are put into this paper in order to give information as well as entertainment.

Each house which has four girls or more elects a house president, who is responsible for turning in every Friday afternoon bits of news to the column "Chatter." Mary Alice Turner compiles the news and writes the column.

Enough copies are mimeographed so that every woman student may get one. The papers are distributed at the Residence Hall cafeteria. The remaining papers are put into a box outside room 209 for those who do not eat at the cafeteria. A copy of each edition is sent to each housemother.

Miss Dorothy Truex, director of personnel for women, edits the paper with cooperation of the Varsity Villagers Council.

Lieutenant K. Simons Still Thinks Biology

Lieutenant (J. g.) Kenneth W. Simons does not tell where he is, but in a letter of recent date, he says, "I am seeing plants and animals that I have only seen in pictures before. I doubt that I can make a collection because of transportation difficulties, but I am going to try to get a collection of pictures which should be valuable in my work when I get back."

Before going into the Navy, Lieutenant Simons was on the faculty at the College in the department of biology. He now has a Fleet Post Office address.

The assignment Lieutenant Simons is on gives him plenty to do, he says, though he finds some time to study his surroundings. "It is very beautiful around here," he says, "flowers everywhere. Yesterday, I went on a little trip, went swimming in the surf, and saw a little of the country around here. I picked up a coconut, and if I can find an ax, I am going to see what it tastes like in the raw. The new fruits and foods are a great experience."

President Lamkin Reports Busy Two Weeks of Attendance at Navy School

Halls—Wherefore?

A harried student with but seconds to spare may unglue one eye from his watch to glance at the building as he rushes in. But, as he speeds onward, the fate of the hall becomes manifest; simply because it is first, it must ever go unnoticed—just the space between the door and the classroom.

One of these days, however, some startled lass may come face to face, in this same hall, with literally dozens of slimy despicable reptiles—snakes. To be sure, they are under glass and in bottles of alcohol too, but the pickling process has not barred the realism any.

Bookworms with eyes to the floor may bump into a case—also in the hall—utter soft phrases, and move on. Yet in the case lie arrayed books and periodicals chronicling the most historic and intriguing of events.

Heirlooms of the native American, that bronze colored feller who once pitched his tepee on the site of Residence Hall, are colorful in another case that someday may be spied by the artists of the student body.

Agitated students pass the soothing atmosphere of the frieze from the Parthenon under the plying gaze of Shakespeare and Milton. Once in awhile, one stops to admire.

Sometimes a speeding typist pauses to exclaim over relics that were once called typewriters. Then again an industrial arts student fresh from a shop of shiny implements may marvel at the tool set which under skillful hands fashioned many an elegant home in the past.

With these things to recommend them, perhaps halls will some day come into their own as a part in the education of students.

Musical Organizations Elect Council Members

Last year a music council was organized to serve as the executive committee of the federation of musical organizations on the campus. It is made up of a representative from each college musical organization. In continuing its work this year, the members elected are Melba Seitz, Chorus; Margaret Baker, Concert Band; Mary Ellen Tehov, String Ensemble; Ruth Ann Scott, Women's Ensemble. Honorary members are to be elected from the choral and instrumental groups of the men in service.

The first activity of the Council is concerned with assistance of musical organization in management of the District High School Band during Teachers Meeting. They will act as registrars, assign rooms, give out programs at the two concerts and meal tickets. Margaret Baker will be the Council's coordinator in this activity.

Another activity of which the Council will have charge is a newsletter to be sent to musicians in service and to music alumni. A third activity is the planning of a social event to be held in the near future. Melba Seitz is in charge of this for the Council.

YWCA Has Cabinet Meeting

The Y.W.C.A. cabinet held a business meeting Thursday night, September 30. They planned the meetings for the winter semester and set the date for the W.S.S.F. drive. They also decided to spend a Saturday cleaning the Y.W.C.A. Hut. The members present were Elizabeth Ann Davis, Betty Jo Stanton, Mary Logan and Dr. Irene Mueller.

Association President, 1943

Assembly Depicts Life of Students

Seniors Read From 'Tower' Amusing Events Through Four Years.

Wednesday, September 22, the class of 1944 presented the Senior Assembly. Deviating from the usual pattern of serious talks, the Seniors gave a skit reviewing the activities and experiences they had had in the past three years and foreshadowing the fourth year. Emma Ruth Kendall and J. Dougan, as old graduates, looked through a big Tower, and the things they remembered appeared on stage behind them.

They began with Registration Day and the annual hunt for M's Staff. This was followed by walk-out day, rush week, basketball season, indecision about the Thanksgiving date, and Christmas activities.

The everyday life of a college student was represented by a girl carrying a huge armload of books across stage, Sue Moore; acting Shakespeare (mixed quotations) and the sounds of music students practicing floating from back stage. The invasion of the Navy appeared as the Navy quartet, quickly followed by moving at the girls' dormitory. The Senior program closed with the singing of the Alma Mater.

Following the Senior program, a short pep rally was held under the direction of the cheer leaders. Dick Ferris introduced the football team, which is now made up entirely of Navy men.

The committee for the Senior Assembly was made up of Emma Ruth Kendall, chairman, Elizabeth Bennett, Darlene Showalter, and Sue Moore.

Kenneth Allen Reported Imprisoned by Germans

Lieutenant Kenneth G. Allen, a graduate of the College, who was reported missing in action, is now in a German prison camp according to Mary Frances Young, who says that Lieutenant Allen's parents have received, through the Red Cross, word of his imprisonment.

When the parents, Mr. and Mrs. Tom Allen of Richmond, received word from the War Department on September 15 that their son was missing in action, they refused to believe that he had been killed. They began checking through the Red Cross in Washington, D. C., and received news that confirmed their belief that he was still living.

Delegates Are Named

At a meeting of the Community Teachers Association on September 23, delegates to the Missouri State Teachers Association, which will meet in St. Louis the first week in November, were named. Miss Olive S. DeLuce, of the Fine Arts department, Miss Chloe E. Millikan, of the Kindergarten and Primary department, and Mr. Leslie Somerville of the Extension division, will represent the College. Other faculty members will attend the Association meetings.

Methodist Conference Ordains College Men

Two college students and one former graduate were ordained last Friday night by Bishop John Calvin Broomfield at the Annual Missouri Methodist Conference which was held at the First Church, St. Joseph.

Kenneth J. Bressler, a senior in the College, was ordained Elder and reappointed to the Pickering-Wilcox charge for his fifth year. Woodrow Elliott, a sophomore, was ordained Deacon and reappointed to the Ravenwood charge for his second year. J. Vernon Wheeler, a junior in the College who is preaching at Bolekow and Fillmore, attended the conference and was reappointed for his third year.

Carl Hackman, a graduate, who has been preaching at Forest City and Fortescue, was ordained Elder and appointed to Milan, Missouri. Marvin Green, a recent graduate, was admitted into the Conference and reappointed to Barnard and Guilford for his second year.

Secretary Predicts Fifteen Hundred Will Attend Association Meetings

1943 Tower Receives "Second Class Honors"

"Second Class Honor Rating" was awarded the 1943 Tower by the National Scholastic Press Association, with headquarters at the School of Journalism of the University of Minnesota, at Minneapolis. This rating is based upon an analysis of the yearbook in competition with yearbooks from colleges all over the United States.

The ratings offered by the association are All-American Honor Rating, First Class Honor Rating, Second Class Honor Rating, Third Class Honor Rating, and Fourth Class—No Honors.

Miss Elizabeth Davis was editor of the 1943 yearbook. Miss Dorothy Truex, now director of personnel for women, was adviser.

Library Displays Heritage Volumes

Collection Contains Many Favorites Beautifully Printed and Bound.

Heritage Club books, remarkable for their attractive bindings, beautiful illustrations, exquisite printing, careful make-up, and general beauty, are on display in the cases on the first floor of the College Library building. They have been arranged to be of special interest to lovers of the classics and to lovers of beautiful books.

The collection shown contains such favorites as "The Gods Are A-thirst" by Anatole France, "The Princess of Cleves" by Madame Lafayette, "Sonnets from the Portuguese" by Elizabeth Barrett Browning, "A Connecticut Yankee in King Arthur's Court" by Mark Twain, "Fathers and Sons" by Ivan Turgenev, "A Woman's Life" by Guy de Maupassant, "Arthurian Legends in Medieval Art" by Laura H. Loomis, "Pilgrim's Progress" by John Bunyan, "The Essays of Elia" by Charles Lamb, "Wuthering Heights" by Emily Bronte, "Jane Eyre" by Charlotte Bronte, "Through the Looking Glass" and "Alice in Wonderland" by Lewis Carroll, "The Return of the Native" by Thomas Hardy.

Attention has been called to "The Odyssey of Homer" in that its illustrations are the famous ones of John Flaxman.

The Heritage Club is sponsored by members of the Limited Editions Club, and its purpose is to make available to its members for purchase copies of books which have gone out of print. The Heritage Club has a limited number of members.

The display at the library is in charge of Miss Margaret Owen, assistant librarian. Elizabeth Ann Davis assisted Miss Owen in planning and preparing the display.

Last Year's Editor Now Tries to Master German

"In one day: 42 spring-ups, 25 push-ups, 35 sit-ups, 300-yard dash in 49 seconds. . . ." So runs Yenni's description of a day, except for the fact that this is only a brief part of the day's work. Mr. Yenni was editor of the Northwest Missourian last year.

Private Yenni, private first class, to be exact, is located at Berkeley, California, with United States Army group which is receiving training in languages at the University of California. He writes that the work is interesting but extremely hard. He is being trained in German. He remarks, "They tell us that this term we are expected to work as we are now more competent." He seems to wonder what he has been doing!

Ralph S. Moyer, who has a rating of Muscular Second Class, is now on a ship in the Pacific.

Raising "Old Glory"

No matter how many times I see the morning color ceremonies, they always bring a thrill to me. Each morning the band; the color bearer and his attendants; and the color guard, with their rifles and fixed bayonets, assemble at the armory. At approximately 9:00, they march from the armory to the Administration Building, with the band playing a stirring march. When they reach the flag pole, the color guard and his attendants take their places at the flag pole. Directly behind them is the color guard, and in the rear is the band. At 9:05 the bugler of the band raises his bugle and sounds a preliminary call to tell all that the ceremonies are about to begin. At 9:00 the bugler

sounds Attention, the color guard and band stand ready to perform the ceremonies, and the color bearer and attendants get the flag ready to hoist. This is all accomplished in the period of seconds. With the first notes of our national anthem the colors are raised, while the color guard stand with their rifles held smartly at present arms, and enlisted men and officers stand along the streets and salute. What American wouldn't be thrilled to stand and salute while the band plays the "Star Spangled Banner" and "Old Glory" waves proudly in the breeze! When the last note of the music dies away, the men march away and the ceremonies are complete.

Names on Program Include Men of Prominence From Different Fields.

Rooms Needed for Visitors

Count Byron de Prorok, Who Spoke Here Last Spring, Comes With Talk on "France Fights On."

That fifteen hundred teachers of Northwest Missouri will attend the Twenty-sixth Annual meeting of the Northwest Missouri State Teachers Association is the prediction of Mr. A. H. Cooper, secretary of the association and member of the faculty of the College. Miss Dorothy Truex, director of personnel for women, is seeking housing facilities for those who will attend and has asked people of Maryville to telephone her office (Hanano 6146) the number of people they can accommodate with rooms.

Programs which have been planned for the meeting of the Association should be of interest to all who attend because they consist of pertinent subjects which will be discussed by noted authorities. The meeting will be held at the College, October 7-8, when there will be election of officers, departmental meetings, and five general assembly sessions.

General officers of the Northwest Missouri Teachers Association for 1943 are Mr. E. F. Allison of Chillicothe, president; Mr. H. S. Thomas, of Maryville, first vice-president; Mr. Raymond Houston of Rock Port, second vice-president; and Mr. Bert Cooper of Maryville, secretary. Mr. Hubert Garrett of Maryville, deceased, was the treasurer for the year. Other district officers include members of the executive committee who are Mr. H. D. Williams of Smithville, Mr. Leonard Jones of St. Joseph, and Mr. Earle S. Teagarden of Kingston. The four departmental chairmen are Mr. Fred L. Keller of Tarkio, Miss Lois Tripp of Maryville, Mr. Leonard Jones of St. Joseph, and Mr. E. E. Seubert of Maryville.

Association President to Speak.

Thursday morning at the first general assembly there will be four speakers. Mr. E. F. Allison, the Association president, will give the opening address entitled "When the Lights Go On Again." Mr. John Ruff, president of the Missouri State Teachers Association, will also address the assembly.

"The Challenge That Is America" will be the subject of the speech given at 10:40 Thursday morning by Mr. Robert Kazmayer. Mr. Kazmayer is a writer, news commentator, and a lecturer as a result of the years he has lived in and traveled in foreign countries. His travels began immediately after he left high school and they have taken him completely around the world. He took enough time off to attend the University of Rochester, and he was prepared for the Methodist Ministry at the Colgate Rochester Divinity School. In the past 8 years he has traveled over Europe 6 times, and he has friends and correspondents there and in all other parts of the world. Mr. Kazmayer is a "Natural" as an interpreter of today's news because he has had unique experience as a working wanderer, and he has had a wide educational background.

Dr. Walter H. Judd, who is a congressman from Minnesota, and was formerly a medical missionary to China, will close the Thursday morning assembly when he speaks about "Building Tomorrow's World."

Don Bolt to Give Address.

Thursday evening, October 7, the major address will be "South American in War Time," by Don Bolt. Mr. Bolt is a veteran metropolitan newspaperman, has had wide experience as a radio commentator, world traveler, and brilliant lecturer, and he is a student of national and international affairs. His analyses of present day problems are accurate and timely, because he adds facts from (Continued on Page Three)

A. S. Davies Leaves to Join Midshipman Class

David Walter Davies, who has been stationed at the College in the Navy V-12 program left Wednesday for midshipman school at the University of Notre Dame, Indiana. Seaman Davies lives at Highlee, Missouri.

Mr. Davies had attended the Moberly Junior College, University of Missouri, and the State Teachers College at Kirksville before he came to the College in the Navy program. He received his degree from Kirksville after completing three months of work here. Upon the completion of his training at Notre Dame, he will be commissioned an ensign in the U. S. Navy.

Without sacrificing editorial independence of their right to make independent judgments, editors and staff members of this newspaper agree to unite with all college newspapers of the nation to support, wholeheartedly and by every means at their command, the government of the United States in the war effort, to the end the college press of the nation may be a united voice for Victory.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us.

DO FAVOR FOR THOSE IN SERVICE

The College is sending papers to all soldiers, sailors, marines, WACS, WAVES, SPARS, Red Cross workers—to all former students and alumni who are in Service—if their names and correct addresses are known. Last spring the mailing list was cleared of names of those in service, for addresses are changing so rapidly that there was little likelihood of the addresses' remaining the same for this fall. It will be necessary, therefore, for the addresses to be sent in now.

Students in the College and all others who receive the Northwest Missourian are asked to turn in names of people who should be receiving the College paper. Outside the door of the staff-room (216), on the bench below the Honor Roll is a box in which to deposit names and addresses of those in Service. Do those in Service a good turn by leaving their names and addresses in this box—they want the paper of their Alma Mater.

IT IS HOME-COMING TO MANY

For twenty-six years the teachers of Northwest Missouri have been meeting to discuss problems relating to their profession. The College has come to look upon the meeting of the Northwest Missouri Teachers Association as a time when alumni and former students come home.

Various organizations on the campus have special home-coming plans. Sorority and fraternity members hold reunions. The athletic department stages a Home-coming game. Clubs welcome back their members who are teaching. The two days are spent in renewing old acquaintances and in making new ones.

This reunions will be different. Many who normally would be coming back are scattered to the far corners of the world, serving in all the branches of the armed forces. Those who are here will talk of those who are away and will exchange news about them.

There is one thing that all who attend the association meetings can do for those in Service: they can leave their names and addresses so that their names may be posted upon the Honor Roll. The Northwest Missourian will be sent to all those in the Service who are stationed in the United States. If possible, it will be sent to those overseas; but mailing rules may prohibit that.

Much time and thought have gone into the planning of the program for this meeting which will bring back old grads and others. Students on the campus should not miss the opportunity to hear some of the lectures provided.

Quotable Quotes

"Stars and Stripes, the U. S. Army, daily paper, not only carries baseball box scores but has a daily photo of some gladiator queen, usually a Hollywood movie star, presumably for the purpose of providing 'pin-ups.' In short nothing is lacking—except serious discussion about the meaning of the war and the best means of using the fruits of victory creatively. The American soldier lacks help in finding the spiritual and moral significance of the titanic struggle in which he is engaged. We may one day rue this neglect." Reinhold Niebuhr of Union Theological Seminary.

"Our country is not going to be any better than our school system. We cannot afford an ill-educated electorate. . . . The movies, the radio, the press, and the advertisement play up and down on the child's nerves and apply to him that most insidious of regimentations, mass anesthesia. Against this deadly passivity, our schools are the only bulwark."—Fortune magazine in the July issue.

AMERICAN HEROES

BY LEFT

While making his way back to the hospital—he was a walking hospital case—Master Gunner Sergeant James G. Blacklock spotted a group of Japs in the underbrush. Drawing his pistol, he entered the thicket and came out with nine Jap prisoners.

Marine Sergeant Blacklock now wears the Silver Star, awarded him for conspicuous gallantry in that Solomon Islands action. He can be proud of such a record. Can you be equally proud of your bond having record during the War?

ADDRESSED TO YOU

The Northwest Missourian is being put out as an activity project with "activity credit" given for the student's work on the staff. The members of the staff are expected to attend staff meeting once each week and to collect news and prepare it for publication. One regular meeting of the staff is scheduled for Thursday afternoons at 4:00 o'clock in the staff-room—Room 215. Another will be scheduled for those who cannot attend at that hour.

More reporters are needed. Those men or women who have had experience in news-writing or who have an interest in it should see Miss Mattie M. Dykes, who is in charge of the College newspaper. Among the apprentice seamen there should be some men who have had high school or college newspaper experience—these men are urged to join the staff, or to contribute if they are too busy to become members of the staff.

Organizations on the campus should appoint reporters, who may be on the staff but who are not required to be regular members. Persons with ability to write correct English should be appointed. They should consult Miss Dykes about the form in which material is to be prepared and for the necessary details to be included in the articles.

The paper belongs to YOU individually as well as to the staff of students who are assuming the responsibility of putting out the paper. Your cooperation is urged. Whoever you are, make it a habit to bring news to the Northwest Missourian office. The editor's desk is the first one in the room; Miss Dykes's desk is in the office cut off the corner of the room. News should be left at either desk. A contributor should put his or her name on the upper left-hand corner of his contribution so that the editor may know whom to ask if further information is needed (the name will not be published).

Summer Employment Is Located for Students

WESTERVILLE, OHIO (AP)—For five years Dean Nora Porter of Outhorn College has been directing and aiding students in locating summer employment. With careful planning, students have not only been able to earn enough money to come back to school but have also gained valuable experience in many cases in their chosen vocational field.

Before the spring graduation, Outhorn this year inaugurated an Employment Day when students had an opportunity to hear about job opportunities on the outlook for the in many occupations from United States Employment Service representatives. Students also had an opportunity to talk with personnel representatives of various firms some of whom hired students for the summer the afternoon of Employment Day.

Who Roots for Whom?

What with every branch of the services utilizing colleges for specialized training, it's no wonder that there are many examples of

military shuffling of students that break the bonds of Alma Mater.

Consider the case of a recent baseball game between Columbia and Yale. Starting pitcher for Columbia—via V-12—was last year's number one moundman for Yale. The starting pitcher for Yale by the same route was last year's star hurler for Columbia.

Just whom does an old Eli root for?

College Red Cross Unit Meets at Dream Kitchen

In February of 1942, the women of the College started a Red Cross college unit, which met two nights a week until the end of July. They worked more than one thousand hours, and established a record for the number of handbags rolled.

This year, it is impossible for the unit to meet at the Administration building, so they meet at the Dream Kitchen on Wednesday night, from 7:45 to 9:15 o'clock. Each one is urged to do her part by attending and contributing her services as regularly as possible.

The cowbird travels about on the side of cattle picking off insects.

What Your Senate Does

OFFICERS

J. Dougan.....President
Mona Alexander.....Vice-President
Mary Rose Gram.....Secretary

Class Representatives

Senior Senators—Betty Townsend, Glenn Singleton, Paul Baldwin, and Elizabeth Davis.
Junior Senators—Vernelle Bauer, Margaret Baker, Chester Parks, and June Morris.
Sophomore Senators—Jennie Moore, Kay Stewart, Lawrence Jorstrom, and Mary Rose Gram.

Business Meeting, September 28
After the reading of the minutes by Mary Rose Gram, the request of the Dance Club for use of concessions at the football game on October 6 was granted.

Requests of the Varsity Villagers for use of the Bearcat Den from 8:30 until 10 o'clock on Saturday night, October 2, and for a table on the second floor hall for Tag Days, September 30 and October 1, were granted.

Elizabeth Davis, chairman, Vernelle Bauer, and Kay Stewart, as members of the cheer-leading committee, gave their report on cheer-leader activities. The walk-out day committee gave its report and October 12 was designated as the

day. Elizabeth Davis, Jennie Moore, and Paul Baldwin are members of the Walk-out day committee.

Mona Alexander presented a report on bulletin boards. A bill from Mary Lou DeWitt for work in the Bearcat Den was presented and approved.

J. Dougan appointed a committee to study and interpret the word "term" in the constitution of the student government association of the College. Those appointed were Glenn Singleton, chairman, Betty Townsend, and Margaret Baker.

It was decided to have the next Senate meeting at 12:30 o'clock, October 5, instead of the evening meeting which would conflict with the major entertainment.

Calendar

Wednesday, October 6—

Assembly, Mr. James Green, Auditorium—10:15 a. m.

W. A. A., Athletic Field, 5:00 p. m.

YMCA, Room 103—6:45 p. m.

Thursday, October 7—

District Teachers' Meeting.

W. A. A., Athletic Field, 5:00 p. m.

YWCA, Room 103—7:00 p. m.

Friday, October 8—

District Teachers' Meeting.

Football Game, Rer, Athletic Field—8:00 p. m.

Homecoming Dance, Room 114—After game.

ASA Founders' Day Tea, ASA House—4:00 p. m.

Saturday, October 9—

Phi Sig Informal Dance, Country Club—8:00 p. m.

Monday, October 11—

Kappa Phi Tea for Women, Home Management House—3:30 p. m.

W. A. A., Athletic Field, 5:00 p. m.

Navy Band, Room 205—7:00 p. m.

Kappa Phi, Home Management House—7:15 p. m.

Sigma Phi, Pool—7:30 p. m.

Tuesday, October 12—

V. V. Council, Room 207—4:00 p. m.

Wednesday, October 13—

F. T. A., Room 325—4:00 p. m.

W. A. A., Athletic Field—5:00 p. m.

YMCA, Room 103—6:45 p. m.

Thursday, October 14—

W. A. A., Athletic Field—5:00 p. m.

YWCA, Room 103—7:00 p. m.

Newman Club Party.

Friday, October 15—

Elks' Dance, Elks' Club—8:30 p. m.

Monday, October 18—

W. A. A., Athletic Field—5:00 p. m.

Navy Band, Room 205—7:00 p. m.

Sigma Phi, Pool—7:30 p. m.

International Relations Club, Room 325—4:00 p. m.

Barkatze, Room 224—5:00 p. m.

Green and White Peppers, Room 121—5:00 p. m.

Student Senate, Bearcat Den—7:00 p. m.

Dance Club, Room 114—7:30 p. m.

Navy Glee Club, Room 207—7:00 p. m.

Bulletin Board

BOOK CLUB

Book club will meet October 11 at seven o'clock at the home of Dr. Anna M. Painter at 616 North Buchanan. All who are interested in discussing books or plays are asked to come. Last year the meetings, which were held once a month, were devoted to reading plays.

OMMISSION

Among those teachers who have moved to new offices to make way for V-12 classes is Mr. John Rudin, head of the speech department. He now occupies the first desk on the right-hand side of the door in Room 206. His name was omitted last week.

CONCESSIONS

Any organization wishing the concession at football games must present their intention to the Student Senate. Confirmation must come from the Senate.

FOUND

Locker key No. 290 and purse. See Miss Dykes, Room 215.

Some scientists believe the tortoise to be the most intelligent of reptiles.

South Meets North
Taking their meals next to each other at the Tau Kappa Epsilon fraternity, Washington State College, at Pullman, are two men who come from the extremes of the Western hemisphere. One is Ingram Varnell, sophomore in chemistry from Kotzebue, Alaska, a tiny hamlet on the Bering Strait well inside the Arctic circle. The other is Jose Suarez, a Chilean whose home is at Punta Arenas on the Strait of Magellan. Punta Arenas is 13,000 land miles away from Kotzebue and has the distinction of being the southernmost city in the world. Suarez is working for several weeks at the Soil Conservation Service nursery in Pullman as part of his study in the United States before returning to his nation to engage in agricultural programs there.

Salamagundi

A mixed dish, as of chopped meat and pickled herring, with oil, vinegar, pepper, and onions.

"One quickly gets readiness in an art where strong desire comes in play."—Thomas Mann.

How delightful to see shining glass in doors and windows! Fingers off!

Tabby and her four kittens have been adopted by the men living in Residence Hall.

A tiny brown and white pup seems to be the latest pet. Topper will be getting jealous—Topper is Miss Villar's cocker spaniel whose claim to attention at Residence Hall has been undisputed.

"They take a paper and they read the headlines. So they've heard of unemployment and they've heard of breadlines. . . ."—Ogden Nash.

Ernest Nora, exchange editor of the Columns, Westminster College bi-weekly publication, writing to ask to be on the exchange mailing list of the Northwest Missourian writes: "Please tell Joe Fiad, Don Dillon, and Don Dolphin we send hello." (Signed) Ernest Nora, Bob Brandt, John Meyer.

Two-volume History of Texas Will Be Published

AUSTIN, TEXAS (AP)—Texans know what they want the world to know about their state—witness the encyclopedia Handbook of Texas.

This proposed two-volume history of the state is being compiled at the University of Texas by the Texas State Historical Association.

In addition to topics suggested by Texas people, the handbook staff has combed eight Texas history books, as well as other research books for additional facts.

Physical and political maps of Texas have been studied and outlined for the handbook.

With appropriations authorized by the 1941-1942 legislature, work on the "people's history" began last November at the University. The work is scheduled to be published in 1945, in commemoration of the centennial of Texas statehood.

Trees wear out twice as fast in a temperature of 90 degrees as at 60 degrees.

The Stroller

The notes of Reveille sounded in his ear. The familiar call, "Everybody out!" roused him out of sound sleep. Bob James sleepily tumbled out of his bunk and was half dressed when he looked at his watch. One-thirty in the morning! His room-mate, who had been out to a "bull session," was snoring loudly. Nobody could have suspected him of whistling Reveille and calling "Everybody out!" but . . . What happened next, the Stroller has been unable to find out, but he has heard that there has been a slight coolness between the two men since.

One day last week the Stroller went to the Quad in search of choice bits. Imagine his surprise when upon trying to enter one room—Shorpy Dickson's, he thinks it was—he found the door falling off the hinges into his hands. Trying another door, he got a dash of cold water in his face. He did not have the bravery to try any other rooms. So, if the Stroller neglects the men of the Navy and does not get them into his column, put it down to the fact that he surmises he is not welcome at the Quad.

Down at the Newman Club the other night the Stroller could hardly believe her own eyes. There was handsome Jim Kuhn bringing with him five buddies for blind dates!

Eugene Bienapfel, according to the best information the Stroller is able to unearth, is an autograph collector. He even collects autographs on reprimands. The only trouble is, this young man seems not to know fake reprimands from real ones and asks Mr. Faggetti to sign a slip originating not with that gentleman but with a prankster.

One day last week the Stroller was trying to overtake Dr. Wilmoth to ask whether the monthly report on low grades would bring the poor Stroller another restricted week-end. He followed the social science man down third-floor corridor and saw him go up the stairs to fourth floor. The Stroller stationed himself at the foot of the stairs to catch the man as he came down. Presently, here came Dr. Wilmoth looking rather befuddled. "Absent-minded," he smiled as he went down third floor corridor again, reading test papers as he went. The Stroller hesitated to break in, for fear the poor man would make another useless trip to another floor.

If the Stroller had not been so busy last week he would have investigated after hearing someone say, "Mr. Cooper, your Honey is in the back seat." Honey may not have had a capital, but how was the Stroller to know?

Wouldn't the Stroller have liked to see President Lamkin sitting in class and taking notes? One of the faculty members reported that the president brought back a fine looking notebook.

The V-12 men at the Quad are proudly displaying a service flag with one star. Asked by the Stroller as to what it meant, an apprentice seaman replied, "Well, Davies has gone into active service. He left last week for Midshipmen's School at Notre Dame."

It did not sound very flattering when Miss Dykes spoke one day in class about the low-down men in the Navy. She said it was a slip of the tongue—that she had meant men of subordinate rank—but the men in class had a laugh all the same. So did the Stroller.

Specialist Says to Save Fall Leaves for Garden

BERKELEY, CALIFORNIA, AP—Keep your matches in your pockets when you rake the leaves this autumn.

This suggestion was made by Ralph M. Eason, University of California Agricultural Extension specialist, who is in charge of the Victory garden program.

"This year of all years, the autumn leaves should not be burned," Eason declared. "Anyone who does so thaws a Victory garden can find a neighbor who will be glad to get them and who can make good use of them next spring."

A simple plan for composting the leaves, he pointed out is to pile them into a small pit, cover them with a layer of soil and let the winter rains do the rest. The leaves will rot better if a small quantity of nitrogen fertilizer is added, he said, but if the supply is scarce, good results still will be obtained from the natural decomposition.

An ugly man contest was sponsored last spring on the San Jose State College campus in California by Alpha Phi Omega, scout service fraternity. At a penny a vote, \$150 was earned by the ballots to contribute to a war purpose.

Women students out-number the men at the University of Texas this fall for the first time in history. The normal proportion is two men to each woman, but in this war year, registration of women is 3,391 as compared to 3,155 men.

Twenty-six members of the Farm Victory Cadet Corps during the month of July stayed on the Kauka

College campus, Kauka, N. Y., to pick red and black raspberries on nearby farms. Working ten hours a day, the women picked more than 300 quarts of raspberries.

Two non-academic members of the Randolph-Macon women's college staff, Lynchburg, Va., have been with the school ever since its founding in 1893. The two are Mr. Burks, superintendent of the buildings and grounds, and "Aunt Maera," for half a century a maid in the college dormitories.

The Indiana University School of Dentistry is celebrating its twentieth anniversary this year.

Civilian and naval students on the Georgia Tech campus are conducting a contest to name the queen of all Techmen's girl friends. The winner will be dubbed: "The Girl I'd Rather Be Restricted With."

First intercollegiate debate of the University of Arkansas was held in 1896. Of the debaters, three judges and the chairman, one later became a United States Senator, two became governors of Arkansas, and a president of a state university. The debate was with the University of Missouri and the question was related to free silver. In 1934, Arkansas and Missouri again debated the free silver question on the same stage, and one representative of each of five top teams of 1896 was on the stage.

Northwestern University's first five football teams were coached by their captains, and the first ejected Wildcat coach was a player.

Buy War Bonds!

THE POCKETBOOK of KNOWLEDGE

A NEW PLASTIC BOOK FOR WAR WORKERS! SHEETS, WATER, COALS, WOOD, AND ALKALIS! A NEW MACHINE GUN, AND A FOR USE IN A BOMB.

IT TAKES 9,000 TIN CANS FOR ONE LIGHT ARMY TANK. IT TAKES 100,000 TONNES OF WOOD FOR ONE MACHINE GUN, AND A FOR USE IN A BOMB.

IN ONE YEAR OF WAR A SINGLE AIRCRAFT CARRIES COST THE BOMB 10 TIMES WHAT SHE COST UNCLE SAM.

FOUR CANS OF COAL ARE NEEDED TO MAKE ONE TON OF STEEL. ONE TON OF STEEL IS NEEDED TO MAKE ONE TON OF BOMB.

FIRE WOOD, CURED FOR A YEAR, WILL PRODUCE AS MUCH AS 25% MORE HEAT THAN GREEN WOOD.

[Social Activities]

Initiates of A. C. E. Are Taken on Ride

Active Members of A. C. E. Entertain Pledges With Noah's Ark Party.

Monday evening, September 27, an initiation party was given by the members of the Association of Childhood Education for the new pledges of their club.

The theme was based around Noah's Ark. The guests came dressed in raincoats and carried umbrellas. They were greeted by the doves, Mrs. Donald Cummins, and she introduced them to Noah, Dorothy Masters, and his wife, Elizabeth Bennett. Each guest put on an animal's head and then boarded the ark. The ark was in the kindergarten room of the Horace Mann Laboratory School.

During the forty days and forty nights of rain, the animals, Noah, his wife and their family played games and sang songs.

When the rain ceased, an initiation service was held. Those pledged were Dorothy Rickman, Lois Beavers, Marjorie Gregg, Dorothy Davis, and Louise Gorsuch. The new members are Georgia Bailey, Beulah Kelley, Floydine Alexander, Dorothy Smith, Kathleen Wintermute, Lavonne Cederlund, Frances Pfander, Eva Marie Calix, Mary Ellen Corington, Maxine Sabotka, and Virginia Pfander.

Following the ceremony, cider, doughnuts, and animal crackers were served. At each plate were small animal souvenirs.

Annual Drive Brings New Members to Club

The Varsity Villagers, social organization of all women living off the campus, conducted its annual membership drive last Thursday and Friday, September 30 and October 1. All girls paying dues of fifty cents a semester or one dollar for the year were given tags to be worn to each social event sponsored by the organization.

The Varsity Villagers' president, Elaine Fox, is the only officer of the organization to return to school this fall. The organization is governed by the Varsity Villagers' Council, made up of the presidents of the Varsity Villagers' Council are Anna Ruth Steele, of the Charterhouse; Virginia Culver, of the Beulah; Ruth Ann Scott, of the Muth house; Dorothy Smith, of the Muth house; Corleen O'Brien, of the Muth house; Betty Jennings, of the Muth house; Wren Sterling, of the Muth house; Frances Moffitt, of the Baker house; Mary Alice Turner, of the Newman Club; Mary Lou DeWitt, of the Sigma Sigma Alpha house; Melba Seitz, of the Sigma Sigma Alpha house; Mary Margaret Gant, of the Davis house; Lois Johnson, of the Davis house; and Darlene Showalter, of the Practice house. The group meets the second Tuesday of each month at four o'clock to discuss problems brought before the group by the president, representatives, or by the group sponsor, Miss Dorothy Truex.

YW Conducts Initiation Ceremony for Members

At its first regular meeting of the year, September 23, the Y.W.C.A. conducted a short initiation ceremony for the new women. After the reading of two poems, the women lighted their candles around the circle while singing "I Would Be True."

Before the ceremony the president reviewed briefly the history and work of the Y.W.C.A. as a national and international organization and its work on the campus. She also told about her trip the first week of June to the Hollister conference at Hollister, Missouri. A brief business meeting was held for the purpose of electing two new officers. The following women were elected: Betty Jo Stanton, vice-president; Mary Logan, treasurer. The other officers are Elizabeth Ann Davis, president; and Ruth Ann Scott, secretary. Dr. Irene Mueller is the new faculty sponsor.

"Tiny" Parrish Band Furnishes Dance Music

The dance in Room 114 after the football game Friday night, September 24, was well attended. The dancing time was limited to approximately one hour, as the game with Missouri Valley lasted until nearly eleven o'clock.

"Tiny" Parrish led the dance band. Several of the band's best arrangements were played during the evening. Mr. Parrish featured as a parting salute, "The National Anthem."

Pi Omega Pi met Monday night, October 4, at the home of its sponsor, Miss Inez Lewis. Melba Seitz, vice-president, planned the program. Members reviewed the constitution of the organization and Pi Omega Pi yearbooks of other colleges. The commerce fraternity meets the first Monday night of each month.

College Weddings

Ferrell-Moore
Miss Mary Janette Ferrell of Long Beach, California, and Lieutenant (j. g.) Max E. Moore of the United States Navy were married, September 19 at three o'clock in the Normandy Wedding Chapel in Long Beach.

The double ring ceremony, with the Reverend Johnston Calhoun of Long Beach officiating, took place before an altar decorated with white lilies and lighted tapers. The couple were attended by Mrs. Besie Rounds of Long Beach and Lieutenant (j. g.) John L. McMahon, Jr., of Dallas, Texas.

Mrs. Moore is the daughter of Mr. and Mrs. John S. Shouse of St. Joseph and a niece of Miss Marcel Clair Winburn, secretary to the president of the College. She was a student of the College from 1939 to 1941.

Lieutenant Moore, who was a student of the College from 1938 to 1941, enlisted in the United States Naval Reserve September 6, 1941. He received his flight training at Jacksonville, Florida, and was commissioned May 15, 1942, at Miami, Florida. He took flight carrier training at Norfolk, Virginia, and for the past 13 months he has been on active duty in the Southwest Pacific. He is to report to the West on October 16 for coast duty.

Mrs. Moore has been employed at Douglas Aircraft, Long Beach.

Swinford-Jennings
Miss Dorothy Nell Swinford of Maryville became the bride of Ensign Raymond D. Jennings of St. Petersburg, September 16, in the Christian Church at Jacksonville, Florida. Ensign Jennings is serving with the navy air force and taking operational training at Jacksonville, where the newly-weds will reside.

Mrs. Jennings is a member of the Chi Delta Mu sorority.

Adams-Hampton
Miss Geraldine Adams of Ellston, Iowa, and Aviation Cadet Charles William Hampton of Bethany, Missouri, were married September 4 at Phoenix, Arizona, in the chapel of the palms, First Presbyterian Church. Cadet and Mrs. Hampton are at home at 1315 West Culver street, Phoenix, where Cadet Hampton is training with the army air force at Thunderbird Field No. 1.

Daws-Taylor
The marriage of Miss Maureen Daws of Denver, Colorado, to Lieutenant Robert Calvert Taylor of Ravenwood, took place July 11 at Memphis, Tennessee, in the parsonage of the McLemore Presbyterian church.

Lieutenant Taylor, a graduate of Brooks Field, San Antonio, Texas, is now stationed with the army air corps at the Fourth Ferrying Command, Memphis.

Groom-Adams
The marriage of Miss Jean Groom of Darlington to R. S. Adams, evangelistic singer, took place at the Mount Zion Church September 19, following the evening services there. The bride's father officiated.

Abplanalp-Elwick
Miss Freida Ruth Abplanalp became the bride of Harold A. Elwick on September 18 at the parsonage of the First Baptist Church in Kansas City. Both Mr. and Mrs. Elwick are employed at the Lake City ordinance plant, and are residing in the Baltimore Apartments, Kansas City.

Meullen-O'Dougherty
Miss Emma Louise Meullen of Hopkins was wed to Herschel O'Dougherty of Wendale, California, Saturday evening, September 18, at 7:30 in the chapel of the Methodist church, Glendale.

Foley-Yeamman
Miss Dora Catherine Foley of Weston and Ensign John Mark Yeamman of Maryville were married September 16 at the home of the bride's parents, Mr. and Mrs. Earl W. Foley. Ensign Yeamman has been based on an ensign in the southwest Pacific, and has taken part in several naval engagements.

Rader-Lambert
The wedding of Miss Iloc Rader of Trenton and James S. Lambert of Chillicothe took place September 18 in the Linwood Presbyterian Church, Kansas City.

VanDevander-Martin
Miss Sara Ruth VanDevander, daughter of Dr. and Mrs. D. J. VanDevander of Hannibal, became the bride of Lieutenant Donald Wayne Martin of Newark, at 8 o'clock Sunday night, August 15, at the First Methodist church in Hannibal. The bride's father performed the single ring ceremony.

Mr. and Mrs. Maurice Lewellen of Rosendale announce the birth of a daughter, born October 3. They have named the child Cheryl Ann. Mrs. Lewellen was Miss Lois Hunt, a former student.

Pat Bush spent Saturday in Bedford, Iowa.

Students Compete for Speech Council Prizes

Mr. Rudin, at Party, Tells Something of Program Planned for Year.

The newly chosen Speech Council, under the sponsorship of Mr. John Rudin, head of the Speech department, entertained students who are interested in speech or dramatics at a Speech Party, Monday evening, September 27, at 7:30. The chapters attending were Mr. and Mrs. John Rudin and Mrs. Walter Johnson.

Upon entering the "Bearcat Den" each guest was presented a name card upon which he wrote the fields of speech in which he had participated. These cards figured largely in the "get acquainted" circle.

Suggesting that breath was a speaker's greatest asset, the program leaders conducted a bean and straw contest followed by a match box race.

In the dress designing contest, Dick Smith received the prize for dressing Jean Whistler as an Indian, complete with papoose.

Richard Leet, the wizard of Truth and Consequences, called upon several students to answer or play in entertainment.

By matching halved bits of paper with famous quotations on them, partners were chosen for the evening's refreshments, doughnuts and apples.

Afterward Mr. Rudin came forward with a glimpse of the year's speech program. Further explanation of these plans he left for the organization meeting held Tuesday, September 28.

Dance Club to Entertain Soldiers at Leavenworth

Ten members of the Dance Club, accompanied by Miss Wincle Ann Carruth, will present a variety program at Fort Leavenworth, Kansas, October 15, for the men stationed there.

The young ladies have been invited to be guests at dinner and a dance held in the Service Club. Their program will be presented at intermission.

Those making the trip will include Connie Curmitt, Emma Ruth Kendall, Marjorie Neal, Alice Nolan, Mary Bruce, Betty Jo Thompson, Betty Chaves, Harriett Harvey, Betty and Anna Ruth Steele.

Latin America Is Topic Discussed by Kappa Phi

Kappa Omicron Phi held its regular meeting at the Home Management House Monday, September 27. A regular business meeting was held. The program consisted of talks given by the members about the different South and Central American countries. The women discussed the climate, population, size of the country, and the natural resources. The group project for Kappa Phi this year is to make detailed studies of the Latin American countries. Plans were made at Monday's meeting for writing to the ambassadors of the countries in Washington, D. C., and asking for information which might be of use in the year's project.

Varsity Villagers Have Treasure Hunt Party

The Varsity Villagers had a treasure hunt Saturday night, October 2, honoring the new members of the organization. Four groups of girls sought treasure at various places on the campus. After the hunt, there were games, singing, dancing, and refreshments in the Bearcat Den.

Chaperones for the party were Miss Wincle Ann Carruth, Miss Dorothy Truex, Miss Ruth Lane, and Miss Irene Mueller. Elaine Fox planned the party, and was assisted by Jean Harvey, Mary Margaret Yates, Kathleen Wintermute, Marjorie Neal, Maxine Sabotka, and Mary Alice Turner.

Sigma Tau Gamma Has Smoker Tuesday Night

Sigma Tau Gamma fraternity had a smoker Tuesday evening, September 28, at the Tirolli theater. Lieutenant Russell Noblet, who was a special guest, spoke to the group. Officers of the organization also gave short addresses.

After leaving the Tirolli, the group went to Rusty's Cafe for a lunch and mixer. Charles Bell, Homer Ogden, Rusty Sellers, and private first class Gene Polk were special guests. Fifty-five men were present at the smoker.

The officers of the fraternity are president, Paul Baldwin; vice-president, Jerry Corbin; secretary, William Hesser; treasurer, Edward Blakely; and Sergeant-at-Arms, Gene Ready. Mr. Virgil Farman and Mr. Richard Wright are the sponsors.

Janet Wilson visited her parents in St. Louis during the past week-end.

Homecoming Dance Is to Follow Game

Football Queen to Reign at Homecoming Game and Dance Friday.

The annual Homecoming Dance will climax Homecoming activities for visiting teachers Friday night, October 8, in room 114, following the Homecoming game with Earl Teachers. Admission to the dance will be 15 and 25 cents, and it will end at 12:30 o'clock.

Leading the grand march and reigning over the dance will be the Football Queen, elected by the student body Wednesday morning at assembly. Results of the election will not be revealed until the queen is crowned at the half of the football game Friday night. Both pep organizations, the Barkatzes and Green and White Peppers, will take part in the coronation ceremony which is being planned by Miss Dorothy Truex and Miss Wincle Ann Carruth.

The five candidates for Football Queen were selected by members of the football team and include: Mary Bruce, sophomore of Maryville; Ellen Graham, sophomore, Norton, Kansas; Jodie Montgomery, sophomore, Maryville; June Morris, junior, Trenton; and Sue Moore, senior, Maryville.

The dance is being sponsored by the Student Social Committee, of which Elaine Gorsuch is chairman. The committee for decoration is headed by Jodie Montgomery and Gaylord Coleman.

Music will be provided by the Navy dance band, under the direction of Seaman Jack Parrish of Cedar Rapids, Iowa.

Newman Club Members Hear Father Thompson

Father Newton Thompson of Conception spoke on the topic, "The Future of America" at a regular meeting of the Newman Club Thursday evening. Father Isidore Diebold, pastor of St. Mary's Church, introduced the speaker.

Gene Ready, president of the Newman Club, appointed members of committees. Committees and the members are as follows: Membership, Jo Amund, Tom Boyce, Vernon Weidner, Frank Pascale, and Frances Meyer; Program, Tom Metting, chairman, and Dorothy Carter, social, Jim Kelly, chairman, Jim Mitchell, Bernard Gram, Lucille Timmons, and Betty Chandler.

Costa Rican Here Tells of Country

(Continued from Page One)
Of the nine active volcanoes in the country, Miss Pages has visited two. The most important, Irazu, is 11,322 feet above sea level and maintains an average temperature of 28-29 degrees. From this volcano one can see both oceans and on a clear day the Nicaragua Lake.

According to Miss Pages, there is a six-month rainy season in Costa Rica, which provides the island with extremely cheap electricity and an abundance of tropical fruit. Coffee is the chief product and is called the "grain of gold" because most of the plantation owners are very wealthy. The coffee is grown in the middle of the island on the highest land or plateau.

Many Are Teachers.
"There are more teachers than persons of any other profession," says Miss Page, "and although there is only one university in San Jose, the capital, there are several colleges and many primary schools." In all grade schools, the Catholic religion is taught, for it is the religion of the country. In all colleges, the students must study the English language before they can get a degree.

Miss Pages has said, "The feeling of our people toward your country has changed within a very few years, and we realize we must be together now, more than ever."

Juniors Elect Senator
Chester Parks was elected unanimously to represent the Junior Class as a three-term senator at a meeting following the assembly Wednesday, September 29. At a previous meeting held September 21, Gaylord Coleman was elected vice-president of the Junior Class. Other officers of the class are Mary Frances Young, president; Clea McClurg, secretary; and Mary Marie Smith, treasurer.

Double Quartet Is Chosen
The women's ensemble has recently been chosen by Miss Kerr, piano instructor of the College. The double quartette is made up of Melba Seitz of Skidmore; Jodie Montgomery of Maryville; Virginia Pfander of Clarinda, Iowa; Martha Polesky of Clarinda, Iowa; Mary Ellen Tebow of Maryville; Ruth Ann Scott of St. Joseph; Emma Ruth Kendall of Maryville; and Margaret Baker of Maryville.

Annie Lee Logan visited her former roommate, Maxine Fehrmann, at her home in St. Joseph the week-end of September 25-26. Miss Fehrmann is teaching at Faucett this year.

W. W. Cook to Serve as Senior Social Sponsor

The Senior class held a meeting Wednesday, September 22, to elect two senators and a social adviser. The senators are Bette Townsend, of Savannah, three-terms, and Glenn Singleton of Platte City, one-term. They replace, respectively, Paul Smith and Ronald E. Smith, both of whom are now in college at Lafayette, Louisiana, in the Navy program.

The class accepted Miss Truex's resignation as social adviser and elected Mr. W. W. Cook to fill that position.

Elizabeth Davis of Derby, Iowa, is president of the class; Sue Moore of Maryville, is vice-president; Melba Seitz of Skidmore, is secretary; and Ione Thompson of Mt. Airy, Iowa, is treasurer.

Eleven Students—Two Men Nine Women—Selected for Who's Who

(Continued from Page One)

The Y. M. C. A. and of the International Relations Club. He ranks high in scholarship and has been honored by the American Association of University professors. He worked for a time on the staff of the Northwest Missourian.

Evelyn Marie Gilliland of Carrollton has been honored twice by the American Association of University Professors for her scholarship. She holds a government scholarship for work in science. She was on the 1943 Tower staff and has served on the Residence Hall Council.

Elaine Gorsuch of Barnard has served on the Student Senate and has been vice-president of the Barkatzes and of Kappa Omicron Phi. She is majoring in home economics and is a member of Kappa Omicron Phi.

Emma Ruth Kendall of Maryville is active in the Dance Club, the Green and White Peppers, and the O'Wellians. She was treasurer of the Junior class of 1943. She sings in the college choir.

Barbara Kowitz of Helena was president of the student body last year. She belongs to Sigma Phi Epsilon, and to the Barkatzes. Majoring in home economics, she is a member of Kappa Omicron Phi. She sings in the college choir.

Sue Moore of Maryville has been secretary of the Green and White Peppers and vice-president of W. P. A. She served last year on the student social committee. She is a commerce student and member of Pi Omega Pi.

Melba Seitz of Skidmore is a commerce and music student. She sings in the chorus, the college choir, and the triple trio. She is a member of the Green and White Peppers. She is secretary of the senior class. She has been chosen to sing in the double quartette recently organized.

Bette Townsend of Savannah was president of the junior class and is vice-president of the senior class. She is a member of Alpha Sigma Alpha and of the Green and White Peppers. She was recently elected to the Student Senate by the senior class for three terms.

Secretary Predicts 1500 Will Attend Meetings

(Continued from Page One)
actual experience to his personal observations of the news of today.

Three major addresses will be made Friday, October 8. In the morning at 9:30 Mr. Clifford W. Patton of the Regional Educational Service Office of the Office of Price Administration, at Dallas, Texas, will speak to the assembly about "War Time Civilian Education." Following this address, Mr. E. T. McSwain, a professor of education at Northwestern University, will discuss "Education for Citizenship in Postwar Democracy." Mr. McSwain is a noted scholar and teacher; he has made contributions to year books and educational journals.

Count Prorok to Come.

Count Byron de Prorok, world-famed archaeologist, explorer and author, will present the final address at three o'clock Friday afternoon. Last spring Count de Prorok was well received when he visited the campus giving an illustrated lecture about "The African Drama." For 20 years the Count, one of today's youngest famous explorers, has been on his romantic quest for lost worlds. He has discovered and explored lost civilizations from the Red Sea to the Atlantic and from Carthage to Timbuctoo. This year all who heard him last spring eagerly await the second lecture to be given by this dynamic archaeologist when he presents an illustrated lecture of "France Fights On."

Teaches English Pilots
Specialist first class Stanley Totopole, who was known as "Tut" on the campus here, is now stationed at a naval air station at Grosse Ile, Mich., as a physical instructor. Mr. Totopole left college last year and received his training at Great Lakes, Illinois, and Balmbridge, Maryland. He was a member of the football squad last year. At the air station where he is now located, he is teaching English pilots how to play basketball.

Tedpole, of the bulldog are seven inches long, as large as the adult.

Robert Eisminger Calls Great Lakes Work Tough

Robert A. Eisminger, First Class Specialist, is working at the Great Lakes Naval Training Station in recruit training. He is in the physical training and athletics program. "Bob" Eisminger, when he visited the College on a recent "liberty," described the training he is getting at Great Lakes as "tough work."

Two tests a week, he said, are required on the Blue Jacket's Manual. Reviews, the former student told Dean Jones, are required three times a week. He told of having to stand at attention for one and one-half hours when Lieutenant Colonel Farrington reviewed the Navy men at Great Lakes.

Mr. Eisminger had his boot training at Farragut, Idaho. From there he was transferred to Balmbridge, Maryland, for specialist training.

President Lamkin Reports Busy Two Weeks at School

(Continued from Page One)
Procurement; W-12 Medical Program; Administration of V-12 Programs.

Men Visit Quantico
The two days spent at Quantico took the administrators into the real preparations for combat duty, even to having a shell explode so near them that war looked remarkably real to them, especially when the Commanding Officer threw himself instantly to the ground and when orders came to change direction of the firing.

Men of Action Speak
The real experiences throughout the sessions of the school were highlighted by the personalities who did the instructing. For example, there were Rear Admiral M. Kelly, who was commander of the fleet in the African expedition; Lieutenant Commander J. R. Hewitt, commander of the JACOB JONES, in World War I; Captain Witherspoon, who commanded the WASP at Malta; Lieutenant (j. g.) T. L. Boardman, who was at Guadalcanal and is noted for developing an efficient method for the disposal of dud bombs; Brigadier General Louis E. Woods, Commander of the Marines on Guadalcanal; Lieutenant B. Walliser, recently returned from Sicily and Salerno; Captain G. C. Hoover, Commander of the HELIX at the second battle of Guadalcanal and a man who has seen more service than almost any man in the Navy; Commander Wright of the STURGEON; Lieutenant L. F. Steffenhagen, commander of a squadron of torpedo planes; Rear Admiral Ramsey, who was in command of the air force at Midway.

President Lamkin came home thinking that the two weeks had been well spent. "It was mighty hard work," he commented, "and we were all tired when it was over."

Tri Sigs Pledge Sixteen
Sigma Sigma Sigma had the formal pledge ceremony for sixteen new members at the chapter house Wednesday night. The new members are Anna B. Allison, Robin Philp, Wren Sterling, Mary Margaret Yates, Betty Chandler, Louise Gorsuch, Elaine Gorsuch, Pat Bush, Janet Wilson, Barbara Anderson, Virginia Pfander, Margie Gray, Helen Strong, Marilyn Bailey, Janet Cable, and Dorothy Smith. Following the ceremony all new pledges had coke dates with their sorority mothers.

Juniors Elect Senator
Chester Parks was selected unanimously to represent the Junior class as a three-term senator in the Student Senate at a meeting following the assembly on Wednesday, September 29. At a previous meeting held September 20, Gaylord Coleman was elected vice-president of the class. Other class officers are Mary Frances Young, president; Clea McClurg, secretary; and Mary Marie Smith, treasurer.

Future Teachers Elect Treasurer for Chapter
John Dewey chapter of the Future Teachers of America met Wednesday, September 29, and held a business meeting. The group voted to attend the curriculum roundtable of the district teacher's meeting on "Contributions of Social Studies to Citizenship Education for Postwar Democracy," on Friday afternoon, October 8. The leader of the roundtable will be Dr. E. T. McGraw who is a professor of education at Northwestern University.

Marian Bressler was elected treasurer for the chapter. Other officers are J. Douglas, president; Dorothy Ellen Masters, vice-president; and Clara Belle Sullenger, secretary.

Cadet Frederick Fulkerson, according to his sister, Marilyn Fulkerson, who is a freshman here at the College, is now on furlough visiting his parents in Savannah. He will return tomorrow to Drexel Institute of Technology, Philadelphia, Pennsylvania, where he is in training. He was a sophomore at the College last year.

Martha Lewis went to Clarinda on Saturday to visit her parents.

Peppers Have Picnic
The Green and White Peppers, one of the pep organizations of the campus, honored all new members at a picnic in the College Park Friday night before the Bearcat-Dpane game. The new Peppers are Margaret Arnold, Joyce Agler, Katherine Aldrich, Marlis Busby, Helen Campbell, Ardena Combs, Margie Gray, Margaret Irwin, Bernice Laughlin, Martha Lewis, Jean Little, Helen Boyersmith, Janice McCoy, Clem Shively, and Virginia Schmeelke.

Raymond D. Jennings of St. Petersburg, a former student of the College, was graduated on August 11 from the Naval Air Training Center, Corpus Christi, Texas, and commissioned an ensign in the United States Naval Reserve.

Dothory Lasell Rates Radio Man Third Class
Miss Dorothy Lasell of Maitland now Radio Man Third Class in the United States Navy, was a visitor at the College, September 24. She was accompanied by her mother, Mrs. Harry Lasell of Maitland.

On April 19, Miss Lasell went to Hunter College, the Bronx, New York, for boot training. When she finished there as a Second Class Seaman, she was sent to Miami University, Oxford, Ohio, for radio school. She has completed her 18 weeks of training there and is being sent now to Washington, D. C., where she will be stationed. She is one of fifteen young WAVES being sent there.

While at Miami University, Miss Lasell sang in the glee club and the choir. She, with Navy men and WAVES, made a recording which was broadcast over WLW, Cincinnati.

Enthusiastic over her work, Miss Lasell adds, however, that she has "never had to work as hard" in her life as she has had to do since she went into the Navy. Her work as a radio operator consists in receiving and sending in code, typing in code, and other technical work.

Cadet Shaver Describes Feelings on Solo Flight

Air Cadet Monson Shaver writes that he is now stationed at Aero Academy, Ontario, California, where he is taking flight training. He is flying one of the two-hundred Stearman PT-17's at the Academy. He writes that his first solo was a thrill. "I soloed last Wednesday with eight and a half hours dual instruction. It was quite a thrill, that first solo. Gosh, I was so busy I hardly knew when I took off or landed."

The Academy is fifty miles east of Los Angeles, which location gives him an opportunity for week-ends in the city. One week-end he met Mr. and Mrs. Roy Tanner and James Malone. Mr. Tanner is in the Navy, stationed at San Pedro, California. Cadet Shaver took his pre-flight training at Moorhead, Minnesota, and Santa Ana, California.

Servicemen Harvest Beans
ITHACA, NEW YORK (AP)—AST's, Marines and V-12's at Cornell did not find time dragging on Sundays this summer. Many of the servicemen stationed on the campus lent helping hands harvesting beans for farmers around the campus who were pinched by the farmworker shortage. On one Sunday more than 55 servicemen pitched in to harvest more than 50,000 pounds of beans.

Peppers Have Picnic
The Green and White Peppers, one of the pep organizations of the campus, honored all new members at a picnic in the College Park Friday night before the Bearcat-Dpane game. The new Peppers are Margaret Arnold, Joyce Agler, Katherine Aldrich, Marlis Busby, Helen Campbell, Ardena Combs, Margie Gray, Margaret Irwin, Bernice Laughlin, Martha Lewis, Jean Little, Helen Boyersmith, Janice McCoy, Clem Shively, and Virginia Schmeelke.

Raymond D. Jennings of St. Petersburg, a former student of the College, was graduated on August 11 from the Naval Air Training Center, Corpus Christi, Texas, and commissioned an ensign in the United States Naval Reserve.

Bearcats Meet Peru Here Friday

Game Promises to Be Hard When Navy Faces Navy Football Men.

Play Home-Coming Game

Rosecrans Field Flyers to Return Game Here November 20 as Next Tilt on Home Field.

It will be Navy against Navy again Friday night when Coach Al Wheeler brings his V-12 warriors of Peru, Nebraska, to Maryville to tangle with the mighty Green and White, but they play for their respective colleges, not for the Navy. This game, coming during the meeting of the 26th annual Northwest Missouri Teachers Association, it will be the regularly featured Home-Coming game.

The game is scheduled for eight o'clock.

Boosting an impressive offensive and defensive record, the Peru gridsters will meet their foe with their decks cleared for action. Coach Miller's boys will be prepared to match and slam to the deck any sailor from Peru who may attempt to carry the pigskin into Maryville pay territory. The Bearcats have gained experience from their past contests this season—an asset in looking forward to this coming game. The Bearcat record itself is worthy of notice.

This game will provide Maryville football fans with their last chance to see the Bearcats in action until November 20, when the Green and White men will entertain the Flyers from Rosecrans Field, St. Joseph, here on the home field.

Volley Ball Is WAA Sport This Season

This half-semester, members of the Women's Athletic Association are playing volleyball. A volleyball tournament is being planned in which there are to be four teams competing. Teams competing will be Third, Fourth, Seventh and Ninth street teams. There has been no definite time set for the tournament. W. A. A. had the concessions at the football game on October 1, plans for which were made at a meeting held September 28. Tharen Erickson was general chairman; Coleen O'Brien and Frances Moffitt were chairmen of the foods and properties committee respectively. Coffee, pop corn, and doughnuts were served at the game by the W. A. A.

New officers of the organization which were elected this fall are president, Dorothy Ellen Masters; vice-president, Tharen Erickson; secretary-treasurer, Frances Moffitt; historian, Elaine Fox; reporter, Betty O'Brien; intermural sports manager, Coleen O'Brien; and volleyball manager, Margie Chapman.

Chief Natale Tells of Navy V-12 at Marshall

According to Chief Natale, a member of the ship's company of Missouri Valley College V-12 Unit at Marshall, Missouri, football serves as the nucleus of the physical training program there. Touch football is required for all apprentice seamen. A round robin of tournament play is in progress there, games being played daily.

Chief Natale expressed his faith in Judo training by saying that he believes it to be an indispensable part of the seaman's training in self-defense.

As Missouri Valley College has an outdoor swimming pool, instruction in swimming has been discontinued there since September 15.

In comparison with Maryville housing facilities for Navy men, Chief Natale said that the quarters of Missouri Valley were inferior to those of the college at Maryville. There are two girls' dormitories, "Young and Campbell" and "Burkhead Maples," which are used to quarter the seamen there.

The executive officer there is an Ensign, the medical doctor is a Lieutenant Commander. Three chief specialists have charge of the physical training program.

The Vikings' coach, Chief Deunzio, is a graduate of the University of Syracuse. Chief Natale serves as assistant coach.

Martha Polsley, Coin, Iowa, Heads Sophomores

The Sophomore class met Wednesday, September 22, to elect a vice-president and a senator and to choose a faculty social adviser.

Matthew Roberts, of Weston, who was elected class president last year, was called to service during the summer. The class voted to have Martha Polsley, of Coin, Iowa, vice-president, serve as president for this year. Vernon Weidemaier of St. Joseph, was elected vice-president. Lawrence Jerstrom of Chicago was elected to serve as a three-term senator.

The class chose Mr. Harold Neece, director of personnel for men, as faculty adviser.

Sports in Wartime

The importance of sports in wartime can not be over-emphasized. The United States Army officials who ruled that army students in colleges all over America might not participate in intercollegiate athletics may have made a very serious mistake. The average person is inclined to overlook the important advantages which sports give to one who participates actively. The sense of team play and cooperation, so necessary in team athletics, is an absolute essential in combat and may be learned quickly and easily through sports.

As a conditioner, sports have no peer. Sports aid in putting the body into top physical condition so necessary in warfare. Another advantage to be gained through a varied program of sports is the training of American fighting men in the fact that the men may gain all the advantages to be afforded by training and still not consider it drudgery as is the case in so many other methods of conditioning.

It is for these reasons that an even more extensive athletic program should be instituted throughout the country so that all the advantages of athletics may be gained by Uncle Sam's fighting men.

Doane College Has Long End of Score

Bearcat Touchdown in Last Period and Extra Point Make Score 14-18.

It was Dick Thompson's passes and his aggressive running power that enabled the Doane College team to defeat the Bearcats here on the home field, October 1. The score was 18-14.

The Doane touchdowns featured Dick Thompson, Joy, and Gelwick. The Bearcats were unable to check the passing plays launched by the sailors from Doane, Nebraska. Dick Thompson, who possesses a cool aim and a steady eye, passed for a total of 260 yards, completing 14 passes out of the 26 he attempted. The versatile Thompson proved that he could run as well as pass when he tore around the Maryville ends for one of the three touchdowns made by Doane.

Bearcats Score in First Quarter. The Green and White took the offensive in the first quarter by launching a drive of five consecutive plays which netted them 66 yards and a touchdown. This march featured passes and laterals, Maryville receiving the ball on its own 34-yard line after Doane had punted. Flad passed to Helm for 16 yards. Flad then drove through the line for two yards. The next play, it was Flad again as he tore through the line for 14 yards. Clemmenson lateraled to Van Pelt for 22 yards. Benedetti fumbled Flad's pass over the goal line; but as the ball was in the end zone and considered dead, the touchdown counted. Van Pelt kicked for the extra point. The score then read: Maryville 7, Doane College 0.

In the second quarter, Doane scored from the Bearcats' 37-yard line on a pass from D. Thompson to Hale. The attempt to convert for the extra point was wide, making the score read: Maryville 7, Doane 6.

It was also in the second quarter that the Nebraskaans managed to get the ball down to the Maryville 2-yard line, but with their backs against the bulkhead, the Bearcats made a gallant goal-line stand, and in four line plays, the Doane team was unable to push the ball over.

Third Quarter Is Bad. The Bearcats had a tough time of it in the third quarter. The Nebraskaans quickly marched down to the Maryville 47-yard line. Then Joy got behind the Maryville safety man where he received a well-aimed pass from sharp-shooter D. Thompson for a touchdown. Doane failed to kick for the extra point. Score: Doane 12; Maryville 7.

Bearcats Come Alive. The Doane men managed to score at first of fourth quarter. On the last play of this touchdown march, Dick Thompson galloped 13 yards for the tally. Doane failed to convert for the extra point. Score: Doane 18; Maryville 7.

In the touchdown drive by Doane, Harvey Clemmenson, who had played a brilliant and aggressive game for the Green and White, was injured and had to leave the game for a short time. But the indomitable spirit of the fighting Bearcats could not be subdued. Captain Joe Flad, who had been injured in the first quarter, came back into the game. Clemmenson soon returned. It was then that the powerful Bearcat team arose as one and marched 73 yards for a touchdown. On this drive Clemmenson lateraled to Lucht, who lateraled to Van Pelt to gain 33 yards. Lucht then went through the line for 12 yards. Van Pelt went over and then kicked for the extra point, bringing Maryville's count to 14 against Doane's 18.

With only a few seconds to go,

STARS IN SERVICE

Sports in Brief

HATS OFF. Nice going, Joe Flad, on your seventy-eight yard run against the Missouri Valley Vikings! And to you, too, Waggoner, for your superb blocking for "Flying Joe" down deep in Missouri Valley territory on that long run. While we're throwing orchids, here's complimenting the entire Bearcat team for their hustle.

A REAL BEARCAT. Although suffering from a severe cut above his left eye, "Little Larry Green" returned again and again to the Green and White line-up in the Viking game. Returning to the sidelines every now and then to receive medical attention for his eye, Green immediately returned to the fray each time.

THIS IS WAR. Last week the Bearcats lost the flashy, little wing back Dywane Dygart. He's now "tossing them" for the Naval Flight Preparatory School at Mt. Vernon, Iowa. Dygart has been a big factor in the Bearcat victories so far this season.

LIME IN HIS EYES. In the Viking game, Harvey (Clem) Clemmenson suffered a painful accident when a sudden gust of lime from a yard stripe caught him squarely in the face. "Clem" had to leave the game for a short period in order to have the pain-killing substance removed from his eyes.

WORLD SERIES. In answer to many requests, we take this opportunity to make our predictions on the 1943 World Series. It is our belief that the Cardinals will return home 1943 World's Champions by winning four out of the first five games.

THE BIG GAME

One of our greatest wishes is to have two teams on the fifty yard line for this year's Army-Navy game. In our opinion this will be the game of the year. A hard fought contest between two good teams which will not be affected by the manpower shortage. A little later on in the season we will give you our predictions for this game.

TIP OFF. Along about the last of October look for a big turnover in football material in schools throughout the country having service units on their campuses. Many of the boys now treading the gridiron for these schools will finish their necessary scholastic requirements and will be transferred to other types of duty.

PREDICTIONS. Well, we hit three out of four on our predictions in the last issue. Southern California trounced U. C. L. A. to upset a one hundred per cent forecast for us. And now for this Saturday's predictions. In the important game of the week it will be Michigan over Notre Dame. Down East it will be Dartmouth over Pennsylvania. The Middles from Annapolis will take the Blue Devils of Duke. Out West it will be Southern California over St. Mary's Pre-Flight. And here on the Maryville field, we will string along with the Bearcats to take the measure of Peru Teachers.

Barkatze Pep Producers Go Feminine for Duration

This year the Barkatze pep organization will have all girl members. Formerly there have been an even number of men and women on the squad. Because the men in the Navy unit are not allowed to wear any uniform other than the regulation military uniform, it will be impossible for them to join.

New members for the Barkatze this year are Barbara Anderson, Janet Wilson, Pat Bush, Bernice Lou Saunders, Beverly Archer, Helen Mundell, Louise Gorsuch, Virginia Pfander, Mary Margaret Yates, Anna B. Allison, Robin Phillip, Tharen Erickson, Mary Taul, Roberta Wray, Marilyn Bailey, and Georgia Bailey.

The Barkatze will have a chili supper for all new members before the Homecoming game, and all will attend the game in a group. Miss Winole Carruth and Mr. W. W. Cook are sponsors of the organization.

Bearcats Win on Sustained Drives

Flad Dashes 78 Yards for Second Score; Team's Passing Clicks.

Scoring twice in the third quarter on drives of forty and eighty yards, respectively, the Bearcats opened their home stand with a rousing win over the Missouri Valley Vikings.

The game brought together two Missouri colleges at which most of the material is derived from the V-12 units located at the schools. After a first half which was marked by fumbles and nervous play on the part of both teams, the Bearcats opened the third quarter by recovering a Viking fumble on the Valley forty yard line and by scoring ten plays later, took the lead 7-0. This initial touchdown was scored by Pearson after a sustained drive, the feature of which was a pass from Flad to Benedetti to Pearson which was halted just short of pay dirt.

The second Green and White touchdown came a few minutes later when Flad, after recovering a Valley fumble on the Maryville twenty-two yard line, smashed over left tackle and was on his way to pay dirt 78 yards away. Van Pelt then converted making the score 14-0.

Throughout the game, the Vikings threatened only once when they recovered a Maryville fumble deep in Bearcat territory. The Green and White defense tightened and they lost the ball in downs.

A big factor in the Bearcat victory was their passing of which was clicking superbly, netting 87 yards. By winning this game, the Bearcats made it two straight for the season.

The summary:

Yards gained from scrimmage	Mary- Mo. Valley
Yards lost from scrimmage	297 67
Yards gained passing	14 24
Passes attempted	87 33
Passes incomplete	19 9
Punts average (yds.)	33 26
Punts returned (yds.)	15 33
Penalties	30 10
Kick-off average (yds.)	41 45
Kick-offs returned (yds.)	56 57
Fumbles	1 8
Recovered own fumbles	0 4
Recovered opponents' fumbles	4 1
First downs	17 7
First downs, passes	4 3
First downs, rushing	12 4
First downs, penalties	1 0
Lost 5 yards	

The starting lineups:

Bearcats	Mo. Valley
Benedetti	LT. Tius
Nordlund	LT. Larkin
Spangh	LG. Harris
Flick	C. Long
Greene	RG. Brooks
Weidemaier	RT. Johnson
Helm	RE. Rymer
Clemmenson	QB. Gerner
Pearson	FB. Roth
Van Pelt	LH. Eaton
Dygart	RH. Adams

Substitutions: Maryville, Warren, Gutter, Kempkes, Flad, Ambrose, Trump, Vikings, Copple, Thomas, Garner, Vander, Lans, D'Assaleaux, Wheaton.

Officials: Campbell, Missouri, referee; Snooks, Notre Dame, field judge; Springer, Grand Island, head linesman.

Donald Jensen Becomes President of Local FFA

Donald Jensen was elected president of the Horace Mann High School chapter of the Future Farmers of America at a recent meeting of the chapter. Other officers elected were Lehman Hanson, Jr., vice-president; Doyle Young, secretary; Paul Hanson, treasurer; Robert Vulgamott, reporter; and Roland Vulgamott, farm watch dog.

Donald Jensen, Doyle Young, and Mr. R. T. Hubble, faculty adviser, will leave tomorrow for Savannah to attend a vocational agricultural district conference made up of chapters from Atchison, Buchanan, Clay, Clinton, DeKalb, Gentry, Holt, Nowaday, Platte and Worth counties.

Speakers on the day's program will be Dr. G. J. Dippold and Dr. Sherman Dickerson, College of Agriculture, University of Missouri; Joe Duck, J. H. Ford, and L. H. LaRue of the State Department of Agricultural Education.

Five members of the F. F. A. chapter showed fourteen hogs and seven lambs at the Midwest Vocational Agriculture Fat Stock Show and Sale at the Kansas City stockyards on September 23 and 24. All the stock received a grade of good to choice and brought top or fancy prices.

The vocational agriculture classes have six more members this year than last year according to Mr. Hubble. The total number of boys in the classes is twenty-eight.

A-C, Arthur P. Anderson, who attended the College for two years, graduated from the Naval Preparatory School at Liberty and has been sent to Topeka, Kansas, for pre-flight training.

At least 75 edible kinds of seaweed grow in the waters around Hawaii.

Abaca, source of hemp, reaches harvest age about 18 months after planting.

Program Northwest Missouri Teachers Association

Thursday Morning, October 7, 1943
First General Assembly
College Auditorium
Mr. E. F. Allison, President, Presiding
9:00 Invocation, The Reverend Dewey I. Meranda, Pastor, The First Christian Church, Maryville.
9:06 Music, The Northwest Missouri State Teachers College Department of Music.
9:20 Address, "When the Lights Go On Again," Mr. E. F. Allison, President, The Northwest Missouri Teachers Association.
9:40 Address, "Schools on the Home Front," The Honorable Roy Scanlin, State Superintendent of Schools.
10:10 Address, Dr. John Ruff, President, The Missouri State Teachers Association.
10:40 Address, "The Challenge That Is America," Mr. Robert Kasmayr, Author, Lecturer, Traveler, and Radio Commentator.

2:45 Adjournment to General Session.

Illinois U. Plans for War Veterans' Needs
URBANA - CHAMPAIGN, Ill. - (ACP) - The University of Illinois has plans formulated to meet squarely and immediately the individual educational needs of returning veterans.
If present plans are carried out, the program awaits trustees' approval before becoming operative. traditional entrance and curriculum requirements of the University will be modified to meet the individual background and needs of the returning veterans.
The term "veterans" is used to include demobilized men and women from both the armed services and the war industries.
Because these veterans will be more mature than the student coming directly to the University from high school, and many will have backgrounds of special training in services and industry and of foreign travel, the plans committee urges that entrance requirements be adapted to meet individual needs, and that curricula be arranged to meet individual plans regardless of present course prerequisite requirements.
Under the proposed plans, a special committee would handle problems of admission and curricula, and extensive use would be made of the University Personnel Bureau and its testing activities to place and guide veterans in their university work.

Business Law Classes Attend Court Session
Tuesday, September 28, the business law classes of the College, Horace Mann High School, and Skidmore high school attended regular sessions of the Circuit court at Maryville. The classes observed an evicton case hearing.

4. Extemporaneous Speaking, Mr. Martin Bryan, St. Joseph Central High School.
Discussion after each demonstration
2:45 Election of Officers
2:55 Adjournment to General Session.

Food Dehydration Gives Servicemen Apple Pies
COLLEGE PARK, MD. (ACP) - "Apple pie is what I need," cried the service men over seas. So the Government decided to do its best to give them their morale-boosting apple pie and carrots and sweet potatoes to cut down on night blindness.
The task finally wound up in the hands of the University of Maryland horticulture and agriculture engineering departments, who have worked in cooperation with the government and food packers to develop an efficient system of food preservation. They finally solved the problem of shipping to both hot and cold climates by working out an approved set of dehydrating equipment which will efficiently dehydrate food.
Proving that scientists look after as many of the service men's tastes as possible as well as their needs, is the development of the apple dehydration, which according to some experimenting home economics students is excellent. These students went ahead and made some apple pies with the researchers' product.
Wrens frequently build nests that are never occupied.
In one year, 8,500,000 theatre tickets are sold in New York City.
